**New Zealand or Aotearoa (the land of the long white cloud) truly is one of the most picturesque and photogenic places on earth. A small island nation of just over 4.5 million people and more than 27 million sheep.**

New Zealand is made up of the North Island, the South Island and several smaller islands. The two main islands are divided by a 22km stretch of water called the Cook Strait. The country is made up of some of the world's most spectacular landscapes, vast mountain ranges, steaming volcanoes and sweeping coastlines.

It's wine regions extend 1,600km from subtropical Northland down to Central Otago, home to the world's most southerly vineyards. It is a natural playground for thrill-seekers and adventurers and those who simply want to visit for the culture and landscapes. Our rally will take you to both islands driving on some of the most amazing scenic roads in the world.

**4.568 KM  
of exceptional  
scenic driving**

The New Zealand Road Classic will include an overnight cruise in the famous Milford Sound together with the dolphins, sea lions and penguins, an amazing drive to Mount Cook Glacier as well as superb lunches and dinners in local wineries. From the Bay of Islands in the North to the volcanic experience of Rotorua, the Southern Alps to the rolling hills of Hobbiton, you will experience the Maori welcome with the friendliest people on earth.
