

ARCSA CONCORSO D'ELEGANZA – SUNDAY 18 SEPTEMBER 2022

The Alfa Romeo Club of South Africa, its sponsors, organisers and judges wish to extend a warm welcome to participants and visitors to their Annual Concorso d'Eleganza, to be held at Queens Street Venue (opposite Flamingo Shopping Centre) in Modderfontein.

All Alfa Romeo owners are welcome at this prestigious event and will be entitled to enter their Alfa in one of the categories of display, subject to the Rules of entry in the category selected. These rules are set out as follows:

Concours D'Etat and D'Elegance:

Only fully paid-up members of A.R.C.S.A. entering either of these categories shall be awarded floating trophies. A non-member may enter and will be recognized if they come in the top three places. However, this recognition will not include the awarding of a floating trophy. Please note that you can become a member by signing up on the day.

Please note that authenticity is a critical criterion for D'Etat. If the car has parts that are not authentic those parts will be zero rated on the score sheet, so it might be better entered in D'Elegance.

Regulations:

- 1) Cars are to be in place by **08:00**.
- 2) Judging will commence at 09:00.
- 3) The **Left front wheel must** be removed, the car being supported on a solid structure, such as an axle stand or a steel or wooden solid base. Judges need to be able to get under the car in safety, and for this reason jacks will not be acceptable.
- 4) Alfa Spider's **must** have either the soft top erected, or a hard top in place. An open topped car will not qualify for judging.
- 5) Battery covers, where applicable, must be removed.
- 6) Spare wheel covers, where applicable, must be removed.
- 7) Tools, handbooks, manuals etc. may be displayed in front of the car on suitable ground cover.
- 8) Trophies, past awards, certificates etc. are permitted as part of the display.
- 9) All items of a personal nature, not relevant to the car, e.g. cooler bags, clothing, cleaning equipment etc. must be removed from the stand before judging commences at 09:00.
- 10) Mirrors may be placed under or next to the car to facilitate viewing.
- 11) Score sheets are to be completed with **all** relevant detail filled in and placed under the windscreen wiper. For D'Etat entries, authenticity documents are to be attached to the score sheet.
- 12) **Only cars older than 10 years may enter D'Etat** (i.e. pre 2011 models) D'Elegance entries may be for any age of car.
- 13) The judge's decision is final. Any interference or argument with any of the judges may result in penalties or disqualification.
- 14) If there are any queries they are to be directed to the Chief Judge.
- 15) It is a requirement that the car engine be run for the Judging in both D'Etat and D'Elegance. All entrants therefore must be available to start the car during judging.

NOTE: Please ensure that all vehicles entered are in neutral for the duration of the show. This is to avoid a vehicle being started in gear whilst one wheel is jacked up, and possibly causing injury to someone.
